Capital District Digital Launches New Website for the City of Watervliet

(LATHAM, New York) - Capital District Digital is pleased to announce that they recently launched a new website for the City of Watervliet.

The City of Watervliet's website, <https://watervliet.com/>, was designed by the Capital District Digital team and was officially launched for the city on September 29, 2021.

Website design and hosting is one of the many digital marketing services offered by Capital District Digital. The company has designed and launched over 100 client websites in the Capital Region including non-profits, small businesses, and municipalities.

The City of Watervliet's website provides city residents with a welcoming and organized digital space to access information, news, events, and important contact information.

The website features a user-friendly and easy to navigate layout including:

- Community News Blog
- Community Calendar
- Department Pages with Contact Information
- Downloadable Permits and Forms
- Business Resources
- Mayor's Facebook Feed Integration on Homepage

David Wheatley, City Clerk for Watervliet, expresses his gratitude of working with the Capital District Digital Team in an email previous to launch: "Thanks again for your insight and all the work you are doing to make our new site come to life."

If you are a company or organization looking for a new website design or other digital marketing services, please feel free to contact the Capital District Digital team at 1-833-932-7361 or visit their website at www.capitalwebseo.com.
